Safety and Usage Instructions

Product:

Aluminium Kneeboard with Leg Strap

Manufacturer and responsible person:

Sergey Voronin

Frankfurter Allee 172

10365 Berlin

Germany

Tel.: 03098592356

E-Mail: support@probel.de

Model:

Standard Kneeboard

Traceability:

The product is identifiable by model designation.

Intended use:

This product is designed for holding documents on the leg using an adjustable strap system.

Safety instructions:

- This product is not a toy. Keep away from children.
- Be careful with edges and corners. Improper use may cause injury.
- Be careful when using the metal clip. Do not place fingers inside the clip mechanism.
- Do not use as a tool, lever, cutting surface or protective plate.
- Do not bend, throw or overload the product.
- Do not use the product if it is visibly damaged, deformed or has sharp edges.
- Do not overtighten the strap. This may restrict blood circulation.
- Ensure the kneeboard is securely but comfortably fastened to the leg.
- Do not modify the strap system.

General warning:

Use only as intended.

Care instructions:

Clean with a soft dry or slightly damp cloth. Do not use aggressive cleaning agents.

Storage:

Store in a dry place, protected from moisture.

Disposal:

Dispose of according to local regulations.

Scope of delivery:

1 aluminium kneeboard with strap system.

РУССКИЙ

Инструкция по безопасности и использованию

Товар:

Алюминиевый наколенный планшет с ремнем

Производитель и ответственное лицо:

Sergey Voronin

Frankfurter Allee 172

10365 Berlin

Deutschland

Tel.: 03098592356

E-Mail: support@probel.de

Модель:

Стандартный наколенный планшет

Идентификация:

Изделие идентифицируется по модели.

Назначение:

Предназначен для удержания документов на ноге с помощью регулируемого ремня.

Указания по безопасности:

- Товар не является игрушкой. Хранить вдали от детей.
- Соблюдайте осторожность с краями и углами. При неправильном использовании возможен риск травмы.
- Соблюдайте осторожность при использовании металлического зажима. Не помещайте пальцы в механизм зажима.
- Не использовать как инструмент, рычаг, поверхность для резки или защитную пластину.
- Не сгибать, не бросать и не подвергать чрезмерной нагрузке.
- Не использовать товар при видимых повреждениях, острых краях или деформации.
- Не затягивать ремень слишком сильно (риск нарушения кровообращения).
- Обеспечить надежную, но комфортную фиксацию на ноге.
- Не модифицировать ремень.

Общее предупреждение:

Использовать только по назначению.

Уход:

Очищать мягкой сухой или слегка влажной тканью. Не использовать агрессивные чистящие средства.

Хранение:

Хранить в сухом месте.

Утилизация:

Утилизировать согласно местным правилам.

Комплект поставки:

1 наколенный планшет с ремнем.
